Our Products and Pricing

Natural gas is sold under long-term gas sales agreements, each of which typically ranges from 15 to 30 years. Sales price is governed by the pricing formula, linked to fuel oil price and economic indices, as stipulated in the agreement.

Liquid products mainly comprises of crude oil and condensate, which are sold in spot markets as well as under short-term and long-term contracts. Sales price is benchmarked with regional market crude oil prices per industry's common practice.
