

EIA Study of M11 Exploration Drilling in Block M11 by PTTEPI

PTTEP International Limited (PTTEPI) plans to conduct an exploration drilling campaign in the Offshore Block M11 with objective to confirm (or deny) the presence of hydrocarbon reservoirs. The proposed exploration drilling will be up to 2 wells which will begin in Q4 2018.

Regarding the Scoping Report which was submitted to Environmental Conservation Department (ECD), PTTEPI and Artelia Eau & Environment (Artelia) are currently undertaking an EIA Study which includes associated stakeholder engagement. The EIA will be conducted in accordance with the Myanmar EIA Procedure (2015).

More information about the proposed activity can be found on PTTEPI's website as follows:
