Dear Sir,

Subject: The Withdrawal from Yetagun Project, Myanmar

PTT Exploration and Production Public Company Limited, or PTTEP, wishes to announce that PTTEP International Limited (PTTEPI) and PTTEP Offshore Investment Company Limited (PTTEPO), subsidiaries of PTTEP, have notified their decisions to withdraw from Yetagun Project and gas transportation company, Taninthayi Pipeline Company LLC (TPC), to all partners of Yetagun Project, and will be effective upon receiving official regulatory approval from Myanmar government.

Yetagun Project is a natural gas and condensates producing project located offshore in the Gulf of Moattama, Myanmar. In 2021, the Project's total sales volume averaged 17 MMSCFD for natural gas and approximately 560 BPD for condensates, where PTTEPI holds 19.31% participating interest, equivalent to the average sales volume of PTTEP at approximately 400 BOED or less than 1% of total sales volume. The withdrawal enables us to refocus our investment in projects that support country's energy security.

Please be informed accordingly.

Sincerely yours,

Montri Rawanchaikul
