Dear Sir,

Subject: Gas Discovery in Abu Dhabi Offshore 2 Project, United Arab Emirates

PTT Exploration and Production Public Company Limited, or PTTEP wishes to announce that PTTEP MENA Limited (PTTEP MENA), a wholly-owned subsidiary of PTTEP, and Eni Abu Dhabi B.V. (Eni), the partner, have successfully made another significant gas discovery, in a deeper zone, of the first exploration well XF-002 in Abu Dhabi Offshore 2 Project, located in the north-west of Abu Dhabi, United Arab Emirates.

The XF-002 exploration well was successfully drilled and discovered significant raw gas in place for both shallow and deep target, total approximately 2.5-3.5 trillion cubic feet (TCF). The gas-bearing reservoirs were tested with excellent flow rates and fast-track development options are currently under evaluation. The Project will continue drilling nearby prospect to further evaluate potential of the block.

Abu Dhabi Offshore 2 Project is located approximately 30 kilometres off the coast of Abu Dhabi covering area approximately 4,033 square kilometres. PTTEP MENA holds 30 percent participating interest while Eni is the operator with 70 percent participating interest.

Please be informed accordingly.

Sincerely yours,

Montri Rawanchaikul
