Dear Sir,

Subject: The Second Gas Discovery in Malaysia SK410B Project, Offshore Sarawak, Malaysia

PTT Exploration and Production Public Company Limited, or PTTEP wishes to announce that PTTEP HK Offshore Limited (Malaysia Branch) or PTTEP HKO, a wholly-owned subsidiary of PTTEP, has successfully made gas discovery at the second exploration well, Paprika-1, in Malaysia SK410B Project, located in offshore Malaysia.

Commenced in July 2022, the Paprika-1 exploration well was drilled to a total depth of 3,348 meters where it encountered reasonable gas pay in clastic reservoir. PTTEP will conduct further studies in order to evaluate future development plan.

Malaysia SK410B Project is located in the shallow waters, approximately 90 kilometers offshore Sarawak, with the acreages of approximately 1,870 square kilometers. The consortium consists of PTTEP HKO (as the Operator), KUFPEC Malaysia and PETRONAS Carigali Sdn. Bhd. with participating interests of 42.5%, 42.5 and 15% respectively.

Please be informed accordingly.

Sincerely yours,

Montri Rawanchaikul
