Dear Sir,

Subject: Awarding of Malaysia exploration block SK325

PTT Exploration and Production Public Company Limited, or PTTEP, wishes to announce that PTTEP Sarawak Oil Limited (PTTEP SKO), a wholly-owned subsidiary of PTTEP Group, along with Petronas Carigali Sdn. Bhd. (PCSB), and Petroleum Sarawak Exploration & Production Sdn. Bhd. (PSEP) have been awarded the exploration Block SK325 from Malaysia Bid Round 2022. The consortium has entered into a Production Sharing Contract (PSC) with Petroliaam Nasional Berhad (PETRONAS).

Block SK325 is located offshore Sarawak, covering a large area of approximately 3,602 square kilometers. PCSB is the operator with 60% participating interest while PTTEP SKO and PSEP hold 32.5% and 7.5%, respectively.

This achievement aligns with PTTEP's investment strategy, driving growth in strategic focus areas and further strengthening company's portfolio in Malaysia.

Please be informed accordingly.

Sincerely yours,

Montri Rawanchaikul
