

Scoping of EIA Study of Zawtika Phase 1C and 1D Development in Offshore Block M9 by PTTEPI

PTTEP International Limited (PTTEPI), following the success of Phase 1A and 1B Development, plans to develop the Zawtika Phase 1C and 1D in Offshore Block M9. The development of Phase 1C consists of 4 remote wellhead platforms ZWP8 - ZWP11 including associated pipelines. The first platform is expected to install in 4th quarter of 2017. The development of Phase 1D consists of 8 remote wellhead platforms ZWP12 - ZWP19 including associated pipelines. The tentative plan for commencement will be in 2020.

Under Environmental Impact Assessment Procedure of the Republic of the Union of Myanmar, PTTEPI is required to undertake an Environmental Impact Assessment (EIA) Study to obtain an Environmental Compliance Certificate (ECC) for the proposed activity. PTTEPI and Environmental Resources Management (ERM) are currently undertaking Scoping of EIA Study to define project description, study area, potential environmental and social impacts and relevant stakeholders. The Scoping will be conducted in accordance with the Myanmar EIA Procedure (2015).

More information about the proposed activity can be found on PTTEPI's website as follows:
www.pttep.com.

Questions and comments can also be submitted to PTTEPI in writing by contacting the following e-mail address: TinNilarSoe@pttep.com
